NOTES TO FINANCIAL STATEMENTS

1. Accounting Practices

- A. The financial statements of Stewart Title Insurance Company of Oregon are presented on the basis of accounting practices prescribed or permitted by the Oregon Department of Consumer & Business Services.

The Oregon Department of Consumer & Business Services recognizes statutory accounting practices prescribed or permitted for determining and reporting the financial condition and results of operations of a title insurance company, for determining its solvency under the Oregon Insurance Law. The National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures* manual (NAIC SAP), has been adopted as a component of prescribed or permitted practices by the state of Oregon.

- B. Use of Estimates in the preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

- C. Accounting Policies

Revenue recognition and related expenses - Premiums are earned at the time of the closing of the related real estate transaction. The Company has a reinsurance agreement with its parent company, Stewart Title Guaranty Company, whereby all transactions from dollar one are reinsured by way of an Assumption Certificate Endorsement. Reinsurance in excess of \$25 Million shall be evidenced by a separate reinsurance agreement. Statutory Premium Reserves (SPR) are established to protect title insurance contract holders in the event of insolvency or dissolution of a title insurer. SPR is computed based on Oregon Revised Statute 733.090. Expenses incurred in connection with issuing the policies are charged to operations as an expense retained by agents.
